

# THE FROG AND HIS FRIENDS

*By Franz Hempel*

In Bolinas, it is a good day. The sun is up. Frog John has a birthday. The party starts at one o'clock.

Ten friends are coming: Sam, Chris, Dorothy, Mark, Henning, Heike, Ati, Michael, Micky and Jeff.

Frog John serves cold drinks. After that, he opens his presents. He got a yellow sun hat, a fly-slap, a red mountain bike, a soccer ball, a frog video, a book, a tape, candies, five pens, a chess game and a checkers game.

Frog John says, "You want to swim?" "Yes," say the frogs. All the frogs walk to the little sea.
